Books In Motion, June 2006-present

Art Director, Graphic Designer, Cover Artist, Website Maintenance, and Web Development - Books In Motion
9922 E. Montgomery Suite 31
Spokane Valley, WA 99206

Founder/Owner/President: Gary Challender | 509-922-1646

Role: Books In Motion is an audiobook company publishing, marketing and recording audiobooks since 1980. As the Art Director, I oversee all aspects of designing the cover art for the audiobooks. Also, I help manage/maintain the Books In Motion website (www.booksinmotion.com). Along with designing the artwork, I coordinate with artists outside of the office to create covers. I work with our clients and audiobook distributors with cross-promotions in order to have our content viewed and purchased on their websites and/or on their printed materials by creating web-ready graphics, printed promotional materials (such as flyers, brochures, posters, banners, etc), uploading content to their websites, and providing the best customer service in the industry. I also design The Newsletter, the official weekly communication of Books in Motion, which is currently distributed to over 5000 email subscribers.

Acorn Book Services, January 2012 - present
